EXHIBIT F

BEFORE THE MEDICAL LICENSURE COMMISSION OF ALABAMA

ALABAMA STATE BOARD OF MEDICAL EXAMINERS, Complainant, vs. MARK WAYNE ERNEST, M.D. Respondent.	)	**Case No. 2020-050**

FINAL ORDER

This matter came before the Medical Licensure Commission for final hearing on September 23, 2020 on the Administrative Complaint filed in the above action. Dr. Ernest was present and testified.

From the testimony and evidence submitted at said hearing the Medical Licensure Commission of Alabama finds that Dr. Ernest "pre-signed at least ninety-two (92) blank prescriptions" on or about August 9, 2017 in the state of Tennessee; that Dr. Ernest admitted to pre-signing the prescriptions and to creating a serial number for each pre-signed prescription in an attempt to prevent diversion or misuse. The Commission further finds that Dr. Ernest's Tennessee medical license was disciplined by Agreed Order of the State of Tennessee Department of Health based upon an act or acts which are prohibited or similar to those prohibited by Ala. Code § 34-24-360(2) and Ala. Admin Code §§ 540-X-4-.06(13) and 545-X-4-.06. While Dr. Ernest was not so charged with, it was apparent at the hearing that Dr. Ernest is not familiar with and has not followed the Board of Medical Examiner's rules governing collaborative practice with advanced practice nurses.

Based upon these finding the Commission concludes that Mark Wayne Ernest, M.D. was disciplined in another state for acts similar to acts prohibited in Alabama in violation of Ala. Code § 34-24-360(15).

It is, therefore, ORDERED as follows:

1. That Mark Wayne Ernest, M.D. shall pay the costs, fees, and expenses incurred by the Alabama Board of Medical Examiners in this action. The Board of Medical Examiners is directed to submit a bill of costs, fees, and expenses within thirty (30) days of this order, along with a verification that such costs, fees, and expenses were necessary for the prosecution of the case, which bill and verification shall be served by the Board upon Respondent;

2. That the license to practice medicine in the state of Alabama issued to Mark Wayne Ernest, M.D. shall be and is hereby suspended; said suspension, however, shall be and is hereby stayed, and Dr. Ernest's license is placed on probation. During the pendency of said probation, Dr. Ernest shall be and is hereby prohibited from engaging in collaborative practice in the state of Alabama as provided for in Alabama Administrative Code Chapter 540-X-8. The probation provided for herein shall be lifted upon the occurrence of all of the following:

a. The lifting of the probation heretofore placed on Dr. Ernest's medical license in the state of Tennessee, and the return of that license to full and unrestricted status; and

b. Dr. Ernest shall meet with the Alabama Board of Medical Examiner's Collaborative Practice Coordinator, either in person or virtually, for a review of the collaborative practice rules applicable in the state of Alabama;

Dr. Ernest shall notify the Commission when all of the above requirements have been met and submit any and all documentation necessary or requested to support the occurrence and/or completion of thereof.

Done this 6th day of October, 2020.

ORDER

This matter came before the Medical Licensure Commission of Alabama on September 23, 2020 for hearing on Dr. DiSanto's request to reinstate his Alabama medical license. Dr. DiSanto appeared and gave testimony. The Commission finds that the request is due to be and is hereby DENIED.

CONSENT ORDER

This matter is before the Medical Licensure Commission of Alabama (the "Commission") pursuant to an Administrative Complaint filed by the Alabama Board of Medical Examiners (the "Board") on March 11, 2020, and pursuant to a Joint Settlement Agreement entered into by the Board and the Respondent, Dr. Scott T. Roethle, M.D. (collectively, the "Parties"), license number MD.37235 on the 16th day of September, 2020. The Commission hereby finds that it has jurisdiction of the Administrative Complaint and the parties hereto, pursuant to Alabama Code § 34-24-361.

In consideration of the Joint Settlement Agreement of the Parties, which is incorporated by reference as if set forth fully herein, the Commission hereby finds that the Respondent, Dr. Scott T. Roethle, M.D., has committed acts which violate Alabama Code § 34-24-360(15), and makes the following findings of fact:

On or about December 20, 2019, the Iowa Board of Medicine entered a Statement of Charges and Settlement Agreement alleging that Dr. Roethle failed to conform to the minimal standard of acceptable and prevailing practice of medicine when he prescribed medications to a

patient via telemedicine without establishing an appropriate physician-patient relationship sufficient to establish an informed diagnosis and provide appropriate medical care. Dr. Roethle did not prescribe any opioid medications to the patient. He prescribed only a combination of the following topical medications – Lexitral PharamPak, Lidociane 7%/Tetracaine 7%, Doxepin 5%, and Fluocinonide 0.1%. The Board also alleged that Dr. Roethle failed to perform an adequate interview of the patient to collect the relevant medical history and/or perform a physical examination sufficient for the diagnosis and treatment of the patient in Iowa (the "Statement of Charges").

Dr. Roethle denied the allegations in the Statement of Charges. However, to avoid delay, uncertainty, inconvenience, and the expense of investigation and litigation, Dr. Roethle entered into a settlement agreement that provided for a citation, a warning, and a civil penalty of $5,000.00 (the "Settlement Agreement").

The Commission concludes, as a matter of law, that the Settlement Agreement is based on an act or acts which either are prohibited by or similar to acts prohibited by Alabama Code §§ 34-24-360(2) and 34-24-360(23), and that the Settlement Agreement therefore constitutes a violation of Alabama Code § 34-24-360(15).

Based upon the foregoing findings of act and conclusions of law, it is the ORDER of the Medical Licensure Commission:

That Respondent is hereby REPRIMANDED for failing to conform to the minimal standard of acceptable and prevailing practice of medicine when he prescribed medications to a patient in Iowa via telemedicine using electronic means, without establishing an appropriate physician-patient relationship sufficient to establish an informed diagnosis and provide appropriate medical care in violation of the laws and rules governing the practice of medicine in Iowa.

ORDERED this the 3 day of Oct, 2020.

Dr. George C. Smith, Sr., M.D., Chairman,
Medical Licensure Commission of Alabama
