EXHIBIT F

BEFORE THE MEDICAL LICENSURE COMMISSION OF ALABAMA

ALABAMA STATE BOARD OF MEDICAL EXAMINERS, Complainant, vs. KANG LU, M.D. Respondent.	)	**Case No. 19-058**

FINAL ORDER

This cause came before the Medical Licensure Commission of Alabama on the administrative complaint filed against Kang Lu, M.D. by the Alabama State Board of Medical Examiners in the above-numbered case seeking to revoke Dr. Lu's license to practice medicine in Alabama, to assess costs in its favor, and for such other action as it may deem appropriate. A hearing was held on June 24, 2020 at which the Commission received oral testimony and documentary evidence. Dr. Lu was present for the entirety of the hearing and gave testimony.

Based upon the evidence presented at the hearing, the Commission hereby finds as follows:

1. That on September 11, 2014, Dr. Lu was stopped by Massachusetts State Police for driving erratically and/or for lane deviations; that Dr. Lu refused eight requests by the officer making the stop to produce his driver's license and registration, and several of the refusals were after it was explained to him that failure to identify himself in such a manner would subject him to arrest; that Dr. Lu was then arrested by officers of the Massachusetts State Police; that during the arrest, Dr. Lu was found to be wearing a knife on his hip with a blade of approximately four

inches in length, the allowable maximum length of a knife carried in Massachusetts being one and one-half inches; that Dr. Lu was charged with Carrying a Dangerous Weapon and refusing to identify himself to police officers, among other things;

2. That on or about April 12, 2015, Dr. Lu was again arrested by law enforcement officials in the state of Massachusetts and charged with refusing to identify himself to police officers, Resisting Arrest, Carrying a Dangerous Weapon, and Disorderly Conduct; that, among other things, Dr. Lu refused to show police officers his driver's license after it was, again, explained to him that Massachusetts law required him to identify himself and produce a driver's license when requested by law enforcement; that Dr. Lu still refused; Dr. Lu refused the direction of the uniformed law enforcement official to step out of his vehicle; that Dr. Lu attempted to roll his window up and lock his doors; that Dr. Lu was, once again, wearing a large sheathed knife on his belt;

3. That on or about October 13, 2018, Dr. Lu was arrested by Canadian law enforcement officials at the border between the United States and Canada; that Dr. Lu was charged with and pleaded guilty in Quebec, Canada to importing three (3) restricted firearms and three (3) prohibited ammunition storage magazines; that Dr. Lu was asked by law enforcement officials at the border whether he had any firearms or any kind of defensive weapons in his vehicle; that Dr. Lu told them "No"; that, upon subsequent questioning prior to a search of his vehicle, Dr. Lu then told law enforcement officials that he did have such items in his vehicle; that a subsequent search revealed that three handguns were in his vehicle; that two of the handguns were stored in the trunk under the carpet; that Dr. Lu confirmed at the hearing in this case that he had been in possession of three (3) firearms, including a Glock 19 nine millimeter

handgun, a .22 caliber handgun, and a handgun of Russian manufacture; that Dr. Lu was sentenced to one day in jail in consideration of thirty-six days having already been served;

4. That on March 5, 2020 the Board of Registration in Medicine in the Commonwealth of Massachusetts revoked Dr. Lu's license to practice medicine in Massachusetts, which revocation emanates from the same facts and case which generated that same board's February 7, 2019 suspension of license referenced in the Administrative Complaint filed in this case;

5. That on or about December 7, 2015, Dr. Lu submitted an application for renewal of license to the Medical Licensure Commission of Alabama on which he answered "No" to the question whether he had been charged with a criminal offense in the past year; that such answer was untrue and fraudulent;

6. That on or about December 16, 2018, Dr. Lu submitted an application for renewal of license to the Medical Licensure Commission of Alabama on which he again answered "No" to the question whether he had been charged with a criminal offense in the past year; that such answer was untrue and fraudulent;

Based upon these findings, the Medical Licensure Commission concludes as a matter of law as follows:

1. That Kang Lu, M.D. committed professional misconduct in violation of Ala. Code § 34-24-360(2) (1975) as follows:

a. By conduct which is dishonorable and which shows a disposition to lie, cheat, or to defraud in violation of § 545-X-4-.06 of the Alabama Administrative Code; and

b. By conduct which is immoral and which is willful, shamefull, and which shows a moral indifference to the standards and opinions of the community;

2. That Kang Lu, M.D. has been subject to disciplinary action taken by another state against his license to practice medicine based upon acts by the licensee similar to the acts described in Ala. Code § 34-24-360 (1975), which is a ground for discipline set out in Ala. Code § 34-24-360(15);

3. That Kang Lu, M.D. made fraudulent or untrue statements to the Commission or to the State Board of Medical Examiners in violation of Ala. Code § 34-24-360(17).

It is, therefore, ORDERED as follows:

1. That the license to practice medicine in the state of Alabama issued to Kang Lu, M.D. shall be and is hereby REVOKED;

2. That Kang Lu, M.D. shall pay administrative costs incurred by the Alabama Board of Medical Examiners in this action in amounts to be determined by the Commission upon submission of a bill of costs by the Board. The Board of Medical Examiners is directed to submit a bill of costs, fees, and expenses, if there be any, within thirty (30) days of this order, along with a verification that such costs, fees, and expenses were necessary for the prosecution of the case, which bill and verification shall be served by the Board on Respondent.

Done this 7 day of July, 2020.
