This matter is before the Medical Licensure Commission of Alabama (the "Commission") on the administrative complaint filed by the Alabama State Board of Medical Examiners (the "Board") on July 22, 2022. The Board and Amber J. Whitfield, M.D. ("Respondent") (collectively "the Parties"), entered into a Joint Settlement Agreement, which was filed with the Commission on the 22nd day of July, 2022. The Commission hereby finds that it has jurisdiction over the administrative complaint, and the Parties hereto, pursuant to Ala. Code § 34-24-361.

After reviewing the Joint Settlement Agreement submitted by the Parties, which is incorporated by reference as if set forth fully herein, the Commission hereby finds that Respondent has committed acts which violate Ala. Code § 34-24-360(23) and Medical Licensure Commission Rule 545-X-5-.02. The Commission concludes, as a matter of law, that the stipulated facts of the Joint Settlement Agreement establish violations of Ala. Code § 34-24-360(23) and Rule 545-X-5-.02.

Based upon the foregoing findings of fact and conclusions of law, it is the ORDER of the Medical Licensure Commission:

1. That Amber J. Whitfield, M.D., be, and is hereby assessed an administrative fine in the amount of One Thousand Dollars ($1,000.000). The administrative fine is due and payable to the Medical Licensure Commission within thirty (30) days of the date of this Consent Order.

2. That Amber J. Whitfield, M.D., between the date of this Order and December 31, 2022, shall obtain 25 credits of AMA PRA Category 1™ or equivalent continuing medical education that are in addition to the standard annual CME requirement of 25 credits.

The Medical Licensure Commission retains jurisdiction in this matter for the purpose of

entering such further orders and directives as may be required to implement the provisions of this Consent Order.

STIPULATION

1. Respondent was duly licensed to practice medicine or osteopathy in the state of Alabama on Jun. 26, 1978, having been issued license number MD.8365. Respondent was so licensed at all times relevant to the matters asserted herein.

2. It is admitted by Respondent that on or about Nov. 13, 2021, Dr. Windham submitted or caused to be submitted an Alabama medical license renewal application for the calendar year 2022, on which the certification was made that the annual minimum continuing medical education requirement of 25 credits had been met or would be met by December 31, 2021, and the licensee had supporting documents if audited.

It is further agreed by the Parties that the Commission shall be permitted to examine and review, prior to approval of this settlement, the records and documents now in the possession of the Board concerning the stipulation of facts set forth herein. It is further agreed by the Parties that, in the event the Commission declines to accept this joint settlement agreement and consent order, and requires the Board to present testimony and documentary exhibits at a subsequent hearing, any admissions by Respondent in this agreement shall not be binding upon Respondent, and the consideration by the Commission of the joint settlement agreement and consent order and the documentary evidence referred to herein, will not be prejudicial to the right of Respondent to receive a fair and impartial hearing.

6. It is further agreed that Respondent will not seek to disqualify any member of the Commission from hearing this matter based on that member's consideration of this joint petition.
