JOINT SETTLEMENT AGREEMENT

COME NOW, the Alabama State Board of Medical Examiners, Complainant, and FARAH AL KHITAN, M.D., Respondent, and respectfully submit this Joint Settlement Agreement to the Medical Licensure Commission, seeking the entry of the attached Consent Order to resolve the disciplinary charges filed against the Respondent's medical license. In support thereof, the Parties state as follows:

STIPULATION

1. The Respondent, FARAH AL KHITAN, M.D., was duly licensed to practice medicine or osteopathy in the state of Alabama on April 16, 2015, having been issued license number MD.34127, and the Respondent was so licensed at all times relevant to the matters asserted herein.

2. It is admitted by Dr. Khitan that on or about December 19, 2018, Dr. Khitan submitted or caused to be submitted an Alabama medical license renewal application for the year 2019 on which the certification was made that the annual minimum continuing medical education requirement of 25 credits had been met or would be met by December 31, 2018, and the licensee had supporting documents if audited.

3. Dr. Khitan admits that, in fact, the required number of continuing medical education credits necessary for renewal of the 2019 license had not been obtained and/or that supporting documentation was not produced; specifically, Dr. Khitan obtained nineteen (19) valid credits.

4. Dr. Khitan acknowledges and admits that the foregoing facts constitute grounds for the imposition of disciplinary sanctions against the licensee's license to practice medicine or osteopathy in Alabama, specifically, a violation of Ala. Code § 34-24-360(23) and Medical Licensure Commission Rule 545-X-5-.02. Dr. Khitan consents and agrees to the entry by the Medical Licensure Commission of Alabama of the consent order stated herein, and agrees to be bound by the findings of fact, conclusions of law, and terms and conditions stated therein. Dr. Khitan waives any further findings of fact and conclusions of law with respect to the above-styled matter, and waives any right to appeal of the joint settlement agreement and consent order.

5. It is stipulated and agreed between the parties that this joint settlement agreement and consent order be submitted to the Medical Licensure Commission of Alabama, and that they are subject to the Commission's approval. It is further agreed by the parties that the Medical Licensure Commission shall be permitted to examine and review, prior to approval of this settlement, the records and documents now in the possession of the Board of Medical Examiners concerning the stipulation of facts set forth herein. It is further agreed by the parties that, in the event the Medical Licensure Commission declines to accept this joint settlement agreement and consent order, and requires the Board of Medical Examiners to present testimony and documentary exhibits at a subsequent hearing, any admissions by Dr. Khitan in this agreement shall not be binding upon Dr. Khitan, and the consideration by the Commission of the joint settlement agreement and consent order and the documentary evidence referred to herein, will not be prejudicial to the right of Dr. Khitan to receive a fair and impartial hearing.

6. It is further agreed that Dr. Khitan will not seek to disqualify any member of the Medical Licensure Commission from hearing this matter based on that member's consideration of this joint petition.

1. The Respondent, BARNEY A. MCINTIRE, M.D., was duly licensed to practice medicine or osteopathy in the state of Alabama on October 28, 1987, having been issued license number MD.13722, and the Respondent was so licensed at all times relevant to the matters asserted herein.

2. It is admitted by Dr. McIntire that on or about December 30, 2018, Dr. McIntire submitted or caused to be submitted an Alabama medical license renewal application for the year 2019 on which the certification was made that the annual minimum continuing medical education requirement of 25 credits had been met or would be met by December 31, 2018, and the licensee had supporting documents if audited.

3. Dr. McIntire admits that, in fact, the required number of continuing medical education credits necessary for renewal of the 2019 license had not been obtained and/or that

supporting documentation was not produced; specifically, Dr. McIntire obtained zero (0) valid credits.

4. Dr. McIntire acknowledges and admits that the foregoing facts constitute grounds for the imposition of disciplinary sanctions against the licensee's license to practice medicine or osteopathy in Alabama, specifically, a violation of Ala. Code § 34-24-360(23) and Medical Licensure Commission Rule 545-X-5-.02. Dr. McIntire consents and agrees to the entry by the Medical Licensure Commission of Alabama of the consent order stated herein, and agrees to be bound by the findings of fact, conclusions of law, and terms and conditions stated therein. Dr. McIntire waives any further findings of fact and conclusions of law with respect to the above-styled matter, and waives any right to appeal of the joint settlement agreement and consent order.

5. It is stipulated and agreed between the parties that this joint settlement agreement and consent order be submitted to the Medical Licensure Commission of Alabama, and that they are subject to the Commission's approval. It is further agreed by the parties that the Medical Licensure Commission shall be permitted to examine and review, prior to approval of this settlement, the records and documents now in the possession of the Board of Medical Examiners concerning the stipulation of facts set forth herein. It is further agreed by the parties that, in the event the Medical Licensure Commission declines to accept this joint settlement agreement and consent order, and requires the Board of Medical Examiners to present testimony and documentary exhibits at a subsequent hearing, any admissions by Dr. McIntire in this agreement shall not be binding upon Dr. McIntire, and the consideration by the Commission of the joint settlement agreement and consent order and the documentary evidence referred to herein, will not be prejudicial to the right of Dr. McIntire to receive a fair and impartial hearing.

6. It is further agreed that Dr. McIntire will not seek to disqualify any member of the Medical Licensure Commission from hearing this matter based on that member's consideration of this joint petition.

STIPULATED AND AGREED this 14 day of MAY, 2019.

The Board and the Respondent, BARNEY A. MCINTIRE, M.D., entered into a Joint Settlement Agreement, which was filed with this Commission on the 15th day of May, 2019. The Commission concludes, as a matter of law, that the stipulated facts of the joint settlement agreement establish violations of Ala. Code § 34-24-360(23) and Rule 545-X-5-.02.

Based upon the foregoing findings of fact and conclusions of law, it is the ORDER of the Medical Licensure Commission:

1. That the license to practice medicine of the Respondent, BARNEY A. MCINTIRE, M.D., license number MD.13722, be, and is hereby REPRIMANDED.

3. That the Respondent, before December 31, 2019, shall obtain fifty (50) credits of AMA PRA Category 1™ or equivalent continuing medical education.

The Medical Licensure Commission retains jurisdiction in this matter for the purpose of entering such further orders and directives as may be required to implement the provisions of this Consent Order.
