After consideration by the full Board of a report from the Physician Assistants Advisory Committee meeting presented by Dr. Ayers, by unanimous consent, the report was received as information. A copy of the report shall be attached hereto as Exhibit C.

Items Pending Physician Assistants Advisory Committee Review

Standard Language Proposal for Biopsies (Skin) Shave/Punch The Credentials Committee recommended deferring for a report from the Physician Assistants' Advisory Committee.

After consideration of information from the Advisory Committee that no changes are recommended to the current standard language, this item was received as information.

Carpal Tunnel Injections The Credentials Committee recommended deferring for a report from the Physician Assistants Advisory Committee.

After consideration of information from the Advisory Committee that any future request to perform carpal tunnel injections, an additional skill to the Orthopedic Specialty Protocol, be monitored by staff of the Alabama Board of Medical Examiners, this item was received as information.

P.A. Licensure Compact The Credentials Committee recommended deferring for a report from the Physician Assistants Advisory Committee.

After consideration of information from the Advisory Committee that Board staff will share the Advisory Committee's concerns regarding the currently proposed Physician Assistant licensure compact model with the AAPA representative, this item was received as information.

Administrative Rule 540-X-12-.03 Requirements for the Issuance of a Qualified Alabama Controlled Substances Registration Certificate (QACSC) The Credentials Committee recommended deferring for a report from the Physician Assistants Advisory Committee.

After consideration of information from the Advisory Committee that this item had been deferred for further research by a work group of the Advisory Committee, this item was received as information.

2024 CME Requirements – Rule Modifications The Credentials Committee recommended deferring for a report from the Physician Assistants Advisory Committee.

After consideration of information from the Advisory Committee that proposed rule modifications to Administrative Rules 540-X-7-.03, *Requirements to Practice as a Physician Assistant (P.A.)*, 540-X-7-.16, *Qualifications for Registration – Physician Assistant (P.A.)*, 540-X-7-.17, *Qualifications of the Supervising Physician – Physician Assistants (P.A.)*, 540-X-.37, *Requirements to Practice as an Anesthesiologist Assistant (A.A.)*, and 540-X-7-.49, *Qualifications for Registration – Anesthesiologist Assistant (A.A.)*, will be brought back for consideration by the Board, this item was received as information.

Central Venous Line Removal The Credentials Committee recommended deferring for a report from the Physician Assistants Advisory Committee.

After consideration of a recommendation from the Advisory Committee to add the removal of percutaneous Central Venous Line to the Physician Assistant core duties and scope of practice and remove this skill from the critical care specialty protocol, the motion was adopted without objection.

ADVANCED PRACTICE NURSES

Collaborative Practice Applicants

Collaborative Practice Registration Applicants The Credentials Committee recommended approval of applicants one through two-hundred and six. The motion was adopted without objection. Julia L. Boothe, M.D., recused herself from discussion, deliberation, and determination. The list of applicants shall be made a part of these Minutes and shall be attached hereto as Exhibit D.

Marcial Mendez, M.D. / Rachel Williford, CRNP The Credentials Committee recommended approval of the collaborative practice registration application.

After discussion by the full Board, a motion was made by Beverly F. Jordan, M.D., and seconded by Gary F. Leung, M.D., that the collaborative practice registration application not be approved due to the collaborating physician being unable to meet the readily available requirement. The Committee recommended that Dr. Mendez be notified of the grounds upon which the application can be denied and the procedure by which to request a hearing. Aruna T. Arora, M.D., Gregory W. Ayers, M.D., Eli L. Brown, M.D., Hernando D. Carter, M.D., Nina S. Ford Johnson, M.D., Beverly F. Jordan, M.D., George T. Koulianos, M.D., Gary F. Leung, M.D., William J. Suggs, M.D., and David R. Thrasher, M.D., voted in favor of the motion. Julia L. Boothe, M.D., Dick Owens, M.D., and Charles M. A. Rogers, IV, M.D., voted in opposition to the motion.

Collaborative Practice Modification Applicants The Credentials Committee recommended approval of applicants one through sixty-two. The motion was adopted without objection. Julia L. Boothe, M.D., recused herself from discussion, deliberation, and determination. The list of applicants shall be made a part of these Minutes and shall be attached hereto as Exhibit E.

Limited Protocol Applicants The Credentials Committee recommended approval of applicants one through five. The motion was adopted without objection. Julia L. Boothe, M.D., recused herself from discussion, deliberation, and determination. The list of applicants shall be made a part of these Minutes and shall be attached hereto as Exhibit F.
