Call to Order: 10:24 a.m.

With prior notice given in accordance with the Alabama Open Meetings Act, and with a quorum of the Board physically present, Board Chairman Mark H. LeQuire, M.D., convened the public portion of the meeting of the Alabama State Board of Medical Examiners.

Executive Director's Report Director Perkins gave an overview of the Interstate Medical Licensure Compact's annual report; reported on the recent issuance of a temporary military license; provided information on the upcoming United States Medical Licensing Examination orientation that is available for Board members and staff; and reported that a job description had been developed and a search was underway for a licensed professional counselor for the Alabama Professionals Health Program (APHP). Wilson Hunter further reported on the processes being developed between the Board and APHP to establish a system for co-monitoring APHP participants.

SHPDA – LETTER OF NON-REVIEWABILITY REQUESTS

Ross W. Barnett, M.D. / DBA Central Alabama CT Imaging, LLC (CACTI) After consideration of a request from Ross W. Barnett, M.D., DBA Central Alabama CT Imaging, LLC, to the Alabama State Health Planning and Development Agency (SHPDA) for determination of non-reviewability, the Credentials Committee recommended deferring consideration of this item in order to obtain additional information from Dr. Barnett including, but not limited to: will contrast be administered for the performance imaging; if yes, and Dr. Barnett is the only physician employed by the practice, who will provide on-site physician over sight for the administration of contrast; what is the emergency management plan for any adverse event; what is the distance from the facility to the nearest hospital. The motion was adopted without objection.

Garry S. Grayson, M.D. / DBA IOP Services, LLC After consideration of information submitted by Garry S. Grayson, M.D., DBA IOP Services, LLC, in regard to a request to the State Health Planning and Development Agency (SHPDA) for a Letter of Non-Reviewability, the Credentials Committee recommended that, as an interested party, the Board submit a comment

to SHPDA that it is the opinion of the Board that the medical practice described in RV2022-027 proposes to deliver health care services in a manner that is consistent with the professional licensing laws and regulations for physicians practicing in an office-based setting and thus would be appropriate for a physician office setting. The motion was adopted without objection.
