ORDER SETTING HEARING
For Contested Cases Initiated by Administrative Complaint

The Medical Licensure Commission has received the verified Administrative Complaint filed by the Alabama State Board of Medical Examiners in this matter. The Commission has determined that this matter is due to be set down for hearing under the provisions of Ala. Code § 34-24-361(e). This Order shall serve as the Notice of Hearing prescribed in Ala. Admin. Code r. 545-X-3-.03(3), (4). The Commission's legal authority and jurisdiction to hold the hearing in this matter are granted by Article 8, Chapter 24, Title 34 of the Code of Alabama (1975), and the particular sections of the statutes and rules involved are as set forth in the Administrative Complaint and in this Order.

1. Service of the Administrative Complaint

A copy of the Administrative Complaint and a copy of this Order shall be served forthwith upon the Respondent, by personally delivering the same to Respondent if he or she can be found within the State of Alabama, or, by overnight courier, signature required, to Respondent's last known address if he or she cannot be found within the State of Alabama. The Commission further directs that personal service of process shall be made by Greg Hardy, who is designated as the duly authorized agent of the Commission.

2. Initial Hearing Date

This matter is set for a hearing as prescribed in Ala. Code §§ 34-24-360, *et seq.*, and Ala. Admin. Code Chapter 545-X-3, to be held on Thursday, July 27th, 2023, at 10:00 a.m., at 848 Washington Avenue, Montgomery, Alabama, 36104. Unless otherwise specified by the Commission, the hearing will be held in person. All parties and counsel are expected to appear and to be prepared for the hearing at this date, time, and place.

3. Appointment of Hearing Officer

The Commission appoints the Honorable William R. Gordon, Circuit Judge (Ret.) as the Hearing Officer in this matter, pursuant to Ala. Admin. Code r. 545-X-3-.08. The Hearing Officer shall exercise general superintendence over all pre-hearing proceedings in this matter, and shall serve as the presiding officer at the

hearing, having and executing all powers described in Ala. Admin. Code r. 545-X-3-.08(1)(a)-(g).

4. Answer

Respondent shall file an Answer, as prescribed in Ala. Admin. Code r. 545-X-3-.03(6), within 20 calendar days of the service of the Administrative Complaint. If Respondent does not file such an Answer, the Hearing Officer shall enter a general denial on Respondent's behalf.

5. Rescheduling/Motions for Continuance

All parties and attorneys are expected to check their schedules immediately for conflicts. Continuances will be granted only upon written motion and only for good cause as determined by the Chairman of the Medical Licensure Commission. Continuances requested on grounds of engagement of legal counsel on the eve of the hearing will not be routinely granted.

6. Case Management Orders

The Hearing Officer is authorized, without further leave of the Commission, to enter such case management orders as he considers appropriate to the particular case. Among any other matters deemed appropriate by the Hearing Officer, the Hearing Officer may enter orders addressing the matters listed in Ala. Admin. Code

r. 545-X-3-.03(5)(a)-(f) and/or 545-X-3-.08(1)(a)-(g). All parties will be expected to comply with such orders.

7. Manner of Filing and Serving Pleadings

All pleadings, motions, requests, and other papers in this matter may be filed and served by e-mail. All filings should be e-mailed to:

- The Hearing Officer, William Gordon (wrgordon@charter.net);
- The Director of Operations of the Medical Licensure Commission, Rebecca Robbins (rrobbins@almlc.gov);
- General Counsel of the Medical Licensure Commission, Aaron Dettling (adettling@almlc.gov);
- General Counsel for the Alabama Board of Medical Examiners, Wilson Hunter (whunter@albme.gov); and
- Respondent/Licensee or his or her counsel, as appropriate.

The Director of Operations of the Medical Licensure Commission shall be the custodian of the official record of the proceedings in this matter.

8. Discovery

Consistent with the administrative quasi-judicial nature of these proceedings, limited discovery is permitted, under the supervision of the Hearing Officer. *See* Ala. Code § 41-22-12(c); Ala. Admin. Code r. 545-X-3-.04. All parties and attorneys

shall confer in good faith with one another regarding discovery. If disputes regarding discovery are not resolved informally, a motion may be filed with the Hearing Officer, who is authorized to hold such hearings as appropriate and to make appropriate rulings regarding such disputes.

9. Publicity and Confidentiality

Under Alabama law, the Administrative Complaint is a public document. The hearing itself is closed and confidential. The Commission's written decision, if any, will also be public. *See* Ala. Code § 34-24-361.1; Ala. Admin. Code r. 545-X-3-.03(10)(h), (11).

10. Stipulations

The parties are encouraged to submit written stipulations of matters as to which there is no basis for good-faith dispute. Stipulations can help to simplify and shorten the hearing, facilitate the Commission's decisional process, and reduce the overall costs of these proceedings. Written stipulations will be most useful to the Commission if they are submitted in writing approximately 10 days preceding the hearing. The Hearing Officer is authorized to assist the parties with the development and drafting of written stipulations.

11. Judicial Notice

The parties are advised that the Commission may take judicial notice of its prior proceedings, findings of fact, conclusions of law, decisions, orders, and judgments, if any, relating to the Respondent. *See* Ala. Code § 41-22-13(4); Ala. Admin. Code r. 545-X-3-.09(4).

12. Settlement Discussions

The Commission encourages informal resolution of disputes, where possible and consistent with public interest. If a settlement occurs, the parties should notify the Hearing Officer, the Commission's Director of Operations, and Commission's General Counsel. The terms of settlement are subject to the approval of the Commission. If approved, the Commission will generally incorporate the settlement terms into a Consent Decree.

13. Subpoenas

The Commission has the statutory authority to compel the attendance of witnesses, and the production of books and records, by the issuance of subpoenas. *See* Ala. Code §§ 34-24-363; 41-22-12(c); Ala. Admin. Code r. 545-X-3-.05. The parties may request that the Hearing Officer issue subpoenas for witnesses and/or documents, and the Hearing Officer is authorized to approve and issue such subpoenas on behalf of the Commission. Service of such subpoenas shall be the responsibility of the party requesting such subpoenas.

14. Hearing Exhibits

- A. Parties and attorneys should, if possible, stipulate as to the admissibility of documents prior to the hearing.
- B. The use of electronic technology, USB drives, CD's, DVD's, etc. is acceptable and encouraged for voluminous records. If the Commission members will need their laptop to view documents, please notify the Hearing Officer prior to your hearing.
- C. If providing hard copies, voluminous records need not be copied for everyone but, if portions of records are to be referred to, those portions should be copied for everyone.
- D. If a document is to be referred to in a hearing, copies should be available for each Commission member, the Hearing Officer, the Commission's General Counsel, opposing attorney, and the court reporter (12 copies).
- E. Index exhibits/documents for easy reference.
- F. Distribute exhibit/document packages at the beginning of the hearing to minimize distractions during the hearing.

15. Administrative Costs

The Commission is authorized, pursuant to Ala. Code § 34-24-381(b) and Ala. Admin. Code r. 545-X-3-.08(9) and (10), to assess administrative costs against the Respondent if he or she is found guilty of any of the grounds for discipline set forth in Ala. Code § 34-24-360. The Board of Medical Examiners [**X**]has / []has **not** given written notice of its intent to seek imposition of administrative costs in this matter.

16. Appeals

Appeals from final decisions of the Medical Licensure Commission, where permitted, are governed by Ala. Code § 34-24-367.

AND SETTING HEARING**

The Medical Licensure Commission has received the verified Administrative Complaint and Petition for Summary Suspension of License (“the Administrative Complaint”) filed by the Alabama State Board of Medical Examiners in this matter. The Commission has determined that this matter is due to be set down for hearing under the provisions of Ala. Code § 34-24-361(e). This Order shall serve as the Notice of Hearing prescribed in Ala. Admin. Code r. 545-X-3-.03(3), (4). The Commission’s legal authority and jurisdiction to hold the hearing in this matter are granted by Article 8, Chapter 24, Title 34 of the Code of Alabama (1975), and the particular sections of the statutes and rules involved are as set forth in the Administrative Complaint and in this Order.

1. Temporary Suspension of License

Upon the verified Administrative Complaint of the Alabama State Board of

Medical Examiners, and pursuant to the legal authority of Ala. Code §§ 34-24-361(f) and 41-22-19(d), it is the ORDER of the Commission that the license to practice medicine or osteopathy, license certificate number MD.27640 of **NEFERTITI HARMON DURANT, M.D.** (“Respondent”), be, and the same is hereby, immediately **SUSPENDED**. Respondent is hereby **ORDERED** and **DIRECTED** to surrender the said license certificate to Grey Hardy, a duly authorized agent of the Medical Licensure Commission. Respondent is further **ORDERED** immediately to **CEASE** and **DESIST** from the practice of medicine in the State of Alabama.

This action is taken consistent with the Rules and Regulations of the Board of Medical Examiners and the Medical Licensure Commission and Ala. Code § 34-24-361(f), based upon the request of the Alabama State Board of Medical Examiners upon the Board’s finding and certification that the Board presently has in its possession evidence that the continuance in practice of Respondent may constitute an immediate danger to his patients and the public.

2. Service of the Administrative Complaint

A copy of the Administrative Complaint and a copy of this Order shall be served forthwith upon the Respondent, by personally delivering the same to Respondent if he or she can be found within the State of Alabama, or, by overnight courier, signature required, to Respondent’s last known address if he or she cannot be found within the State of Alabama. The Commission further directs that personal

service of process shall be made by Greg Hardy, who is designated as the duly authorized agent of the Commission.

3. Initial Hearing Date

This matter is set for a hearing as prescribed in Ala. Code §§ 34-24-360, *et seq.*, and Ala. Admin. Code Chapter 545-X-3, to be held on Wednesday, June 28th, 2023, at 10:00 a.m., at 848 Washington Avenue, Montgomery, Alabama, 36104. Unless otherwise specified by the Commission, the hearing will be held in person. All parties and counsel are expected to appear and to be prepared for the hearing at this date, time, and place.

4. Appointment of Hearing Officer

The Commission appoints the Honorable William R. Gordon, Circuit Judge (Ret.) as the Hearing Officer in this matter, pursuant to Ala. Admin. Code r. 545-X-3-.08. The Hearing Officer shall exercise general superintendence over all prehearing proceedings in this matter, and shall serve as the presiding officer at the hearing, having and executing all powers described in Ala. Admin. Code r. 545-X-3-.08(1)(a)-(g).

5. Answer

Respondent shall file an Answer, as prescribed in Ala. Admin. Code r. 545-X-3-.03(6), within 20 calendar days of the service of the Administrative Complaint. If

Respondent does not file such an Answer, the Hearing Officer shall enter a general denial on Respondent's behalf.

6. Rescheduling/Motions for Continuance

All parties and attorneys are expected to check their schedules immediately for conflicts. Continuances will be granted only upon written motion and only for good cause as determined by the Chairman of the Medical Licensure Commission. Continuances requested on grounds of engagement of legal counsel on the eve of the hearing will not be routinely granted.

7. Case Management Orders

The Hearing Officer is authorized, without further leave of the Commission, to enter such case management orders as he considers appropriate to the particular case. Among any other matters deemed appropriate by the Hearing Officer, the Hearing Officer may enter orders addressing the matters listed in Ala. Admin. Code r. 545-X-3-.03(5)(a)-(f) and/or 545-X-3-.08(1)(a)-(g). All parties will be expected to comply with such orders.

8. Manner of Filing and Serving Pleadings

All pleadings, motions, requests, and other papers in this matter may be filed and served by e-mail. All filings should be e-mailed to:

- The Hearing Officer, William Gordon (wrgordon@charter.net);

- The Director of Operations of the Medical Licensure Commission, Rebecca Robbins (rrobbins@almlc.gov);
- General Counsel of the Medical Licensure Commission, Aaron Dettling (adettling@almlc.gov);
- General Counsel for the Alabama Board of Medical Examiners, Wilson Hunter (whunter@albme.gov); and
- Respondent/Licensee or his or her counsel, as appropriate.

The Director of Operations of the Medical Licensure Commission shall be the custodian of the official record of the proceedings in this matter.

9. Discovery

Consistent with the administrative quasi-judicial nature of these proceedings, limited discovery is permitted, under the supervision of the Hearing Officer. *See* Ala. Code § 41-22-12(c); Ala. Admin. Code r. 545-X-3-.04. All parties and attorneys shall confer in good faith with one another regarding discovery. If disputes regarding discovery are not resolved informally, a motion may be filed with the Hearing Officer, who is authorized to hold such hearings as appropriate and to make appropriate rulings regarding such disputes.

10. Publicity and Confidentiality

Under Alabama law, the Administrative Complaint and this Order are public documents. The hearing itself is closed and confidential. The Commission's written

decision, if any, will also be public. *See* Ala. Code § 34-24-361.1; Ala. Admin. Code r. 545-X-3-.03(10)(h), (11).

11. Stipulations

The parties are encouraged to submit written stipulations of matters as to which there is no basis for good-faith dispute. Stipulations can help to simplify and shorten the hearing, facilitate the Commission's decisional process, and reduce the overall costs of these proceedings. Written stipulations will be most useful to the Commission if they are submitted in writing approximately 10 days preceding the hearing. The Hearing Officer is authorized to assist the parties with the development and drafting of written stipulations.

12. Judicial Notice

The parties are advised that the Commission may take judicial notice of its prior proceedings, findings of fact, conclusions of law, decisions, orders, and judgments, if any, relating to the Respondent. *See* Ala. Code § 41-22-13(4); Ala. Admin. Code r. 545-X-3-.09(4).

13. Settlement Discussions

The Commission encourages informal resolution of disputes, where possible and consistent with public interest. If a settlement occurs, the parties should notify the Hearing Officer, the Commission's Director of Operations, and Commission's

General Counsel. The terms of settlement are subject to the approval of the Commission. If approved, the Commission will generally incorporate the settlement terms into a Consent Decree.

14. Subpoenas

The Commission has the statutory authority to compel the attendance of witnesses, and the production of books and records, by the issuance of subpoenas. *See* Ala. Code §§ 34-24-363; 41-22-12(c); Ala. Admin. Code r. 545-X-3-.05. The parties may request that the Hearing Officer issue subpoenas for witnesses and/or documents, and the Hearing Officer is authorized to approve and issue such subpoenas on behalf of the Commission. Service of such subpoenas shall be the responsibility of the party requesting such subpoenas.

15. Hearing Exhibits

- A. Parties and attorneys should, if possible, stipulate as to the admissibility of documents prior to the hearing.
- B. The use of electronic technology, USB drives, CD's, DVD's, etc. is acceptable and encouraged for voluminous records. If the Commission members will need their laptop to view documents, please notify the Hearing Officer prior to your hearing.
- C. If providing hard copies, voluminous records need not be copied for everyone but, if portions of records are to be referred to, those portions should be copied for everyone.
- D. If a document is to be referred to in a hearing, copies should be available for each Commission member, the Hearing Officer, the Commission's General Counsel, opposing attorney, and the court reporter (12 copies).
- E. Index exhibits/documents for easy reference.

- F. Distribute exhibit/document packages at the beginning of the hearing to minimize distractions during the hearing.

16. Administrative Costs

The Commission is authorized, pursuant to Ala. Code § 34-24-381(b) and Ala. Admin. Code r. 545-X-3-.08(9) and (10), to assess administrative costs against the Respondent if he or she is found guilty of any of the grounds for discipline set forth in Ala. Code § 34-24-360. The Board of Medical Examiners [**X**]has / []has not given written notice of its intent to seek imposition of administrative costs in this matter.

17. Appeals

Appeals from final decisions of the Medical Licensure Commission, where permitted, are governed by Ala. Code § 34-24-367.

Re: Mark Koch Practice Plan

I have been working with Dr. Shamburek and others at CPEP, along with Physician Providers placement service in Atlanta and the hospital where I plan to work in order to comply with the Commission's prior orders regarding re-entering the practice of medicine. I plan to work in the emergency department of J Paul Jones Hospital, 317 McWilliams Avenue, Camden, Alabama, practicing emergency medicine. I have worked in this hospital previously, quite successfully. I enjoyed practicing there with a wonderful staff and community and look forward to working where I can be helpful and needed. I will not be practicing in any of the areas that the Commission determined that I may not participate, which includes medically-assisted weight management, chronic pain management, or Medication Assisted Treatment (MAT) for addiction/opioid use disorder.

Regarding admitted patients, I would do rounds while on duty. As to birthing, any woman presenting to the ER would have her regular OBGYN called to the hospital. Should a woman with no prenatal care whatsoever present at the ER, then certainly she cannot be denied care. I would see that Dr. Wells is contacted immediately if there is not another doctor on duty, however I would also attend to the expectant mother. I followed procedure on this when I worked at J Paul Jones previously and never encountered any problems or issues. Dr. Wells has stated that he could treat this type of patient without giving chronic pain meds and that I am welcome to call him at any time.

Dr. Wells is the Medical Director and will serve as my preceptor. He has had discussions with Dr. Shamburek, who has followed up with me so that we are 'on the same page'. I will be 'shadowing' another doctor at the hospital beginning on December 22nd, and then shadowing Dr. Wells the following week December 26th-28th. Dr. Wells will then report to Dr. Shamburek, and assuming that all is well, I will begin a shift on December 30th-31st. Dr. Wells will be available to me and the administration will work with me to ensure that I receive proper rest between patients. Furthering the preceptorship, in addition to shadowing, Dr. Wells will be doing file reviews, which I understand he has discussed with CPEP. The hospital was provided with a copy of the Commission's October 31, 2022 order and I enclose a letter from Dr. Wells which confirms receipt of that order and the hospital's agreement to comply with all terms, including particularly item number four. I also include a copy of the October 24, 2022 correspondence from Physicians Providers in Atlanta who is managing this placement at J Paul Jones

Hospital in Camden. Last, I enclose a copy of my APHP contract, which I have kept current even when not required to do so. I will continue to keep it current for my lifetime of medical practice.

I believe that this addresses the needed requirements of my practice plan. If there are other questions, please do not hesitate to contact me. I appreciate the opportunity to treat patients again.

Re: Mark Koch

As Medical Director of J Paul Jones Hospital in Camden, Alabama, I have discussed with Dr. Dan Shamburek of CPEP, and have agreed to act as a preceptor for Dr. Mark Koch as he is re-entering the practice of medicine. I understand that Dr. Shamburek has spoken with Dr. Koch as well.

Having now reviewed a copy of the Commission's October 31, 2021 order, I can confirm that we are aware of his license restrictions, particularly the caveats that he refrain from practicing medically-assisted weight management, chronic pain management, or Medically Assisted Treatment (MAT) for addiction.
