the Medical Licensure Commission of Alabama**

**545-X-1-.02 Officers Of The Commission.**

(1) The Commission shall elect from its members a chairman and a vice chairman. The election of officers shall be held annually at the regular monthly meeting of the Commission held in June of each year. The officers so elected shall take office immediately upon adjournment of the meeting at which they are elected. No person shall be elected as chairman for more than five consecutive terms.

(2) The duties of the officers shall be as follows:

(a) The chairman shall preside at meetings of the Commission and appoint members to serve on such committees as may be created.

(b) The vice chairman shall preside in the absence of the chairman and shall assume the duties of the chairman when necessary.

(c) The chairman shall have the authority to take such action in the absence of the Commission that is necessary for the continuance of the day-to-day operation of the Commission and its staff. Such acts shall include scheduling of hearings, rulings on motions, requests and objections as they may relate to the admission or non-admission of evidence or testimony at hearings, and making determinations as to the order of evidence to be taken at hearings.

(d) The chairman shall preside over the meetings and hearings of the Commission and, with the aid of counsel, shall rule on procedural and evidentiary issues which may arise during the course of hearings. The chairman may delegate such portions of said responsibility as he may deem fit.

**Practice Plan**

**Alabama Medical License Commission**

**1. Name of Employer: Southeastern Plastic Surgery Associates, P.C., 100 Towncenter Blvd, Suite 111, Tuscaloosa, AL 35406**

- a. Owner/President - Luis Ronald Pernia, M.D.**
- b. Southeastern Plastic Surgery and Robert Bolling agree that a chaperone shall be physically present in the same room with Robert Bolling and the patient for the full duration of all patient encounters (including participating during telemedicine encounters), with continuous, direct visual and aural observation of all activities. Additionally, all chaperones used for these purposes shall be employed by Southeastern Plastic Surgery, and all chaperones shall have successfully completed the PBI Medical Chaperone Training Program.**
- c. Dr. Pernia will provide general physician supervision of Dr. Bolling for general office visits or evaluation and management services for a minimum of six months, and longer if required for Dr. Pernia to be satisfied with Dr. Bolling's clinical competence. Dr. Pernia will initially provide direct physician supervision of Dr. Bolling for the procedures set forth in Paragraph 2.d. below until Dr. Pernia is satisfied with Dr. Bolling's clinical competence.**
- d. Scope of Practice: General Plastic and Reconstructive Surgery. This will include both the inpatient and outpatient treatment of these patients. Initially, Dr. Bolling will practice in the office setting until he is able to obtain hospital privileges. Dr. Pernia is willing to sponsor Dr. Bolling or assist Dr. Bolling with Dr. Bolling's hospital medical staff membership application as appropriate according to the individual hospital's medical staff membership process. For a minimum of six months, and longer if required for Dr. Pernia to be satisfied with Dr. Bolling's clinical competence, Dr. Pernia will accompany Dr. Bolling in the operating room during any surgical procedures. Dr. Bolling's ability to operate independently in the operating room will also depend on the policies and procedures of the Hospitals' medical staff and operating room credentialing committee or surgical staff committee.**
- e. Days/Hours of Work: Work hours excluding call, will be limited initially to 45 hours per week.**
- f. Patient population: The patient population will include males and females of all ages from the surrounding areas.**

**2. Monitoring, Mentoring and Competency:**

- a. **Preceptor/Proctor : Luis Ronald Pernia, M.D. Board Certified by the American Board of Plastic Surgery (ABPS).**
- b. **Dr. Bolling and Dr. Pernia agree to follow these parameters. Dr. Luis Pernia, a diplomat of the American Board of Plastic Surgery, will serve as the designated local proctor for the duration of Dr. Bolling's Preceptorship. This will include the supervision of office patients as well as inpatient and output surgical procedures.**
  - i. **Medical knowledge: Dr. Pernia will review Dr. Bolling's patient interaction, quality and care provided by Dr. Bolling. Dr. Pernia's evaluation(s) will be provided to the Medical License Commission once completed.**
  - ii. **Patient Care: a case log will be maintained for at least the first year. Evaluation and Management skills as well as surgical skills will be assessed monthly and included in the form attached hereto as Exhibit A and shall be provided to the Medical License Commission.**
  - iii. **Communication skills: after having returned to practice for three months, Dr. Bolling will participate in a 360 evaluation by the Southeastern Plastic Surgery office personnel. Evaluations will be provided to the Medical License Commission.**
  - iv. **Practice-Based Learning: Upon the conclusion of the first 12 months of practice, Dr. Bolling will complete a Tracer Procedure for his most commonly performed procedure and submit the report to the Medical Licensure Commission.**
- c. **Dr. Pernia will oversee and assess the six core competencies of medical knowledge; patient care; professionalism; communication skills; practice based learning; and systems-based practice. Dr. Pernia agrees to submit monthly evaluation forms to the Medical License Commission in the form attached hereto as Exhibit A. Dr. Pernia also agrees to provide the Medical Licensure Commission with quarterly monitoring reports that provide a general summary of the number of patients treated and types of cases performed by Dr. Bolling.**
- d. **Outcomes Assessment**
  - i. **Dr. Pernia will provide direct physician supervision of cosmetic injectable patients to determine Dr. Bolling's clinical competence with the patients' evaluation and treatment. These patients will be recorded in a log with Dr. Pernia's assessment of informed consent, safety, technique, competency, sterile technique, clinical skills, and outcome. After a minimum of six months, and longer if required for Dr. Pernia to be satisfied with Dr. Bolling's clinical competence with performing cosmetic injectable procedures, Dr. Bolling will be allowed to treat these patients under Dr. Pernia's general physician supervision.**

- ii. Dr. Pernia will provide direct physician supervision of office procedures such as skin lesion excision, skin cancer removal and wound care debridement to determine Dr. Bolling's clinical competence with the patients' evaluation and treatment. These patients will be recorded in a log with Dr. Pernia's assessment of informed consent, safety, technique, competency, sterile technique, clinical skills, and outcome. After a minimum of six months, and longer if required for Dr. Pernia to be satisfied with Dr. Bolling's clinical competence with performing these procedures, Dr. Bolling will be allowed to see treat these patients under Dr. Pernia's general physician supervision.
- e. Materials to be submitted to the MLC
  - i. Monthly evaluations in the form attached hereto as Exhibit A,
  - ii. Patient/procedure case logs for referenced in Paragraph 2.d. above in the form attached hereto as Exhibit B,
  - iii. Quarterly Monitoring Reports,
  - iv. Final Letter of recommendation from Dr. Pernia,
  - v. Final evaluation from Dr. Pernia, and
  - vi. Additional materials as requested by the MLC based on individual situations
- 3. Duration: The preceptorship requirements set out in Paragraph 2 of this Practice Plan shall last a minimum of six months, at which time Dr. Bolling will request removal of the clinical competency supervision requirements. Dr. Bolling understands that except for the preceptorship requirements in Paragraph 2, the other requirements of this Practice Plan along with the MLC's Findings of Fact and Conclusions of Law shall remain in effect until modified or approved by the Medical Licensure Commission.

**ORDER**

This matter is before the Medical Licensure Commission of Alabama on Respondent's request, submitted to the Commission via e-mail on March 18, 2025, for approval of a payment plan in connection with the administrative fines assessed by the Consent Decree entered in this matter on March 14, 2025. Upon review and consideration by the full Commission, this request is granted. Respondent is authorized to pay the assessed administrative fines in eight equal monthly installments of \$1,250.00 per month, provided further as a condition of such payment plan that Respondent shall not be permitted to complete the annual license renewal and registration process for 2026 unless and until he shall have paid in full all administrative fines and costs, if any, assessed in this matter. *See Ala. Code § 34-24-383.*

In the same e-mailed request, Respondent requests clarification as to whether the probationary condition denominated item "h." in the Consent Decree requires the use of chaperones for *all* patient encounters, or only for female patients. In response to that inquiry, we reaffirm that the Consent Decree requires chaperones for *all* patients, without regard to whether the patient is male or female. Nothing in this paragraph shall be interpreted as altering, amending, or limiting anything in the Consent Decree.

**ORDER**

This matter is before the Medical Licensure Commission of Alabama on the “Voluntary Restriction on Certificate of Qualification and License to Practice Medicine” executed by Dev Manish Gandhi, M.D. on March 3, 2025. In that document, Dr. Gandhi has voluntarily assented to restrictions on his Certificate of Qualification, requiring in substance: (1) that he confine his practice of medicine in Alabama to the University of South Alabama College of Medicine’s Psychiatry Residency Program, (2) that he comply with certain recommendations of [REDACTED] [REDACTED], and (3) that he maintain and comply with a monitoring agreement with the Alabama Professionals Health Program.

The Commission imposes restrictions upon the license to practice medicine and/or osteopathy in the State of Alabama issued to Dev Manish Gandhi, M.D., mirroring the restrictions voluntarily placed upon his Certificate of Qualification. *See Ala. Code § 34-24-361(g)* (“If the board attaches restrictions to a physician’s . . . certificate of qualification, it shall notify the commission of the restrictions and the commission shall also place the restrictions on the physician’s . . . license to practice

medicine or osteopathy in the State of Alabama.”). This restriction may be removed only by further order of the Commission.
