ORDER

This matter is before the Medical Licensure Commission of Alabama on the Board's "Petition to Modify Terms of Consent Decree," filed on April 2, 2026. In its petition, the Board asks the Commission to modify the probationary condition denominated "h." on page 11 of the Consent Decree entered in this matter on March 14, 2025, so as to facilitate Respondent's safe return to practice. CASE NO. 2026-041

**ORDER TEMPORARILY SUSPENDING LICENSE
AND SETTING HEARING**

The Medical Licensure Commission has received the verified Administrative Complaint and Petition for Summary Suspension of License (“the Administrative Complaint”) filed by the Alabama State Board of Medical Examiners in this matter. The Commission has determined that this matter is due to be set down for hearing under the provisions of Ala. Code § 34-24-361(e). This Order shall serve as the Notice of Hearing prescribed in Ala. Admin. Code r. 545-X-3-.03(3), (4). The Commission’s legal authority and jurisdiction to hold the hearing in this matter are granted by Article 8, Chapter 24, Title 34 of the Code of Alabama (1975), and the particular sections of the statutes and rules involved are as set forth in the Administrative Complaint and in this Order.

1. Temporary Suspension of License

Upon the verified Administrative Complaint of the Alabama State Board of Medical Examiners, and pursuant to the legal authority of Ala. Code §§ 34-24-361(f) and 41-22-19(d), it is the ORDER of the Commission that the license to practice medicine or osteopathy, license certificate number MD. 44644 of HESHAM A. HASSAN, M.D. ("Respondent"), be, and the same is hereby, immediately **SUSPENDED**. Respondent is hereby **ORDERED** and **DIRECTED** to surrender the said license certificate to the Medical Licensure Commission, at 848 Washington Avenue, Montgomery, Alabama, 36104. Respondent is further **ORDERED** immediately to **CEASE** and **DESIST** from the practice of medicine in the State of Alabama.

This action is taken consistent with the Rules and Regulations of the Board of Medical Examiners and the Medical Licensure Commission and Ala. Code § 34-24-361(f), based upon the request of the Alabama State Board of Medical Examiners upon the Board's finding and certification that the Board presently has in its possession evidence that the continuance in practice of Respondent may constitute an immediate danger to his patients and the public.

Respondent is reminded that the suspension of his or her license to practice medicine in Alabama triggers certain obligations with regard to patient notification

and patient records. *See* Ala. Admin. Code r. 540-X-9-.10(4)(c); 545-X-4-.08(4)(c). Respondent shall comply with these requirements.

2. Service of the Administrative Complaint

A copy of the Administrative Complaint and a copy of this Order shall be served forthwith upon the Respondent, by personally delivering the same to Respondent if he or she can be found within the State of Alabama, or, by overnight courier, signature required, to Respondent's last known address if he or she cannot be found within the State of Alabama. The Commission further directs that personal service of process shall be made by Buddy Chavez, who is designated as the duly authorized agent of the Commission.

3. Initial Hearing Date

This matter is set for a hearing as prescribed in Ala. Code §§ 34-24-360, *et seq.*, and Ala. Admin. Code Chapter 545-X-3, to be held on Wednesday, June 24, 2026, at 10:00 a.m., at 848 Washington Avenue, Montgomery, Alabama, 36104. Unless otherwise specified by the Commission, the hearing will be held in person. All parties and counsel are expected to appear and to be prepared for the hearing at this date, time, and place.

4. Appointment of Hearing Officer

The Commission appoints the Honorable William R. Gordon, Circuit Judge (Ret.) as the Hearing Officer in this matter, pursuant to Ala. Admin. Code r. 545-X-3-.08. The Hearing Officer shall exercise general superintendence over all pre-hearing proceedings in this matter, and shall serve as the presiding officer at the hearing, having and executing all powers described in Ala. Admin. Code r. 545-X-3-.08(1)(a)-(g).

5. Answer

Respondent shall file an Answer, as prescribed in Ala. Admin. Code r. 545-X-3-.03(6), within 20 calendar days of the service of the Administrative Complaint. If Respondent does not file such an Answer, the Hearing Officer shall enter a general denial on Respondent's behalf.

6. Rescheduling/Motions for Continuance

All parties and attorneys are expected to check their schedules immediately for conflicts. Continuances will be granted only upon written motion and only for good cause as determined by the Chairman (or, in his absence, the Vice-Chairman) of the Medical Licensure Commission. Continuances requested on grounds of engagement of legal counsel on the eve of the hearing will not be routinely granted.

7. Case Management Orders

The Hearing Officer is authorized, without further leave of the Commission, to enter such case management orders as he considers appropriate to the particular case. Among any other matters deemed appropriate by the Hearing Officer, the Hearing Officer may enter orders addressing the matters listed in Ala. Admin. Code r. 545-X-3-.03(5)(a)-(f) and/or 545-X-3-.08(1)(a)-(g). All parties will be expected to comply with such orders.

8. Manner of Filing and Serving Pleadings

All pleadings, motions, requests, and other papers in this matter may be filed and served by e-mail. All filings shall be e-mailed to:

- The Hearing Officer, William Gordon (wrgordon@charter.net);
- The Director of Operations of the Medical Licensure Commission, Rebecca Robbins (rrobbins@almlc.gov);
- General Counsel of the Medical Licensure Commission, Aaron Dettling (adettling@almlc.gov);
- General Counsel for the Alabama Board of Medical Examiners, Wilson Hunter (whunter@albme.gov); and
- Respondent/Licensee or his or her counsel, as appropriate.

The Director of Operations of the Medical Licensure Commission shall be the custodian of the official record of the proceedings in this matter.

9. Discovery

Consistent with the administrative quasi-judicial nature of these proceedings, limited discovery is permitted, under the supervision of the Hearing Officer. *See* Ala. Code § 41-22-12(c); Ala. Admin. Code r. 545-X-3-.04. All parties and attorneys shall confer in good faith with one another regarding discovery. If disputes regarding discovery are not resolved informally, a motion may be filed with the Hearing Officer, who is authorized to hold such hearings as appropriate and to make appropriate rulings regarding such disputes.

10. Publicity and Confidentiality

Under Alabama law, the Administrative Complaint and this Order are public documents. The hearing itself is closed and confidential. The Commission's written decision, if any, will also be public. *See* Ala. Code § 34-24-361.1; Ala. Admin. Code r. 545-X-3-.03(10)(h), (11).

11. Stipulations

The parties are encouraged to submit written stipulations of matters as to which there is no basis for good-faith dispute. Stipulations can help to simplify and shorten the hearing, facilitate the Commission's decisional process, and reduce the overall costs of these proceedings. Written stipulations will be most useful to the Commission if they are submitted in writing approximately 10 days preceding the

hearing. The Hearing Officer is authorized to assist the parties with the development and drafting of written stipulations.

12. Judicial Notice

The parties are advised that the Commission may take judicial notice of its prior proceedings, findings of fact, conclusions of law, decisions, orders, and judgments, if any, relating to the Respondent. *See* Ala. Code § 41-22-13(4); Ala. Admin. Code r. 545-X-3-.09(4).

13. Settlement Discussions

The Commission encourages informal resolution of disputes, where possible and consistent with public interest. If a settlement occurs, the parties should notify the Hearing Officer, the Commission's Director of Operations, and Commission's General Counsel. Settlements involving Commission action are subject to the Commission's review and approval. To ensure timely review, such settlements must be presented to the Commission no later than the Commission meeting preceding the hearing date. Hearings will not be continued based on settlements that are not presented in time for the Commission's consideration during a monthly meeting held prior to the hearing date. The Commission Vice-Chairman may assist the parties with the development and/or refinement of settlement proposals.

14. Subpoenas

The Commission has the statutory authority to compel the attendance of witnesses, and the production of books and records, by the issuance of subpoenas. *See* Ala. Code §§ 34-24-363; 41-22-12(c); Ala. Admin. Code r. 545-X-3-.05. The parties may request that the Hearing Officer issue subpoenas for witnesses and/or documents, and the Hearing Officer is authorized to approve and issue such subpoenas on behalf of the Commission. Service of such subpoenas shall be the responsibility of the party requesting such subpoenas.

15. Hearing Exhibits

- A. Parties and attorneys should, if possible, stipulate as to the admissibility of documents prior to the hearing.
- B. The use of electronic technology, USB drives, CD's, DVD's, etc. is acceptable and encouraged for voluminous records. If the Commission members will need their laptop to view documents, please notify the Hearing Officer prior to your hearing.
- C. If providing hard copies, voluminous records need not be copied for everyone but, if portions of records are to be referred to, those portions should be copied for everyone.
- D. If a document is to be referred to in a hearing, copies should be available for each Commission member, the Hearing Officer, the Commission's General Counsel, opposing attorney, and the court reporter (12 copies).
- E. Index exhibits/documents for easy reference.
- F. Distribute exhibit/document packages at the beginning of the hearing to minimize distractions during the hearing.

16. Administrative Costs

The Commission is authorized, pursuant to Ala. Code § 34-24-381(b) and Ala. Admin. Code r. 545-X-3-.08(9) and (10), to assess administrative costs against the Respondent if he or she is found guilty of any of the grounds for discipline set forth in Ala. Code § 34-24-360. The Board of Medical Examiners [**X**]has / []has not given written notice of its intent to seek imposition of administrative costs in this matter.

17. Appeals

Appeals from final decisions of the Medical Licensure Commission, where permitted, are governed by Ala. Code §§ 41-22-20 and 34-24-367.

DONE on this the 23rd day of April, 2026.

Complainant,

vs.

Respondent.

**BEFORE THE MEDICAL
LICENSURE COMMISSION OF
ALABAMA**

CASE NO. 2026-141

CONSENT DECREE

This matter comes before the Medical Licensure Commission of Alabama (“the Commission”) on the Administrative Complaint (“the Administrative Complaint”) filed by the Alabama State Board of Medical Examiners (“the Board”) on April 16, 2026. The Board and the Respondent, Marlon Chad Williamson, M.D. (“Respondent”), have entered into a Joint Settlement Agreement (“the Settlement Agreement”), and have asked the Commission to approve the Settlement Agreement and to embody it in this Consent Decree.

General Provisions

1. **Approval of the Settlement Agreement.** After review, the Commission finds that the Settlement Agreement represents a reasonable and appropriate disposition of the matters asserted in the Administrative Complaint. The Commission therefore approves the Settlement Agreement.

2. **Mutual Agreement and Waiver of Rights.** Respondent has consented and agreed to the entry of this Consent Decree, and has agreed to be bound by the findings of fact, conclusions of law, and terms and conditions stated herein. Respondent has validly waived all rights to an administrative hearing before the Commission, to be represented by an attorney at such hearing, and to further notice and formal adjudication by the Commission of the charges arising from the Administrative Complaint. Respondent has also validly waived all rights to judicial review of this Consent Decree pursuant to Ala. Code § 34-24-367, the Alabama Administrative Procedure Act, Ala. Code §§ 41-22-1, *et seq.*, by extraordinary writ, or otherwise.

3. **Public Documents.** The Administrative Complaint, the Settlement Agreement, and this Consent Decree shall constitute public records under the laws of the State of Alabama. The Administrative Complaint, the Settlement Agreement, and this Consent Decree may be published or disclosed by the Board and/or the Commission without further notice to Respondent.

4. **Additional Violations.** Any violation of the requirements of this Consent Decree, or any new violation of state or federal laws or regulations, may result in the Board filing a petition to discipline Respondent's medical license. Nothing in this Consent Decree precludes the Board from bringing new

administrative charges against Respondent based upon events and circumstances not raised in the Administrative Complaint.

5. **Retention of Jurisdiction.** The Commission retains jurisdiction for the purpose of entering such other and further orders and directives as may be required to implement the provisions of this Consent Decree.

6. **Official Notice.** Pursuant to Ala. Code § 41-22-13(4), Respondent is informed that the Board and/or the Commission may at any time take official notice of this Consent Decree, and/or any of the Findings of Fact herein, and may deem any of the findings or conclusions set forth in this Consent Decree to be conclusively established, all without further notice to Respondent.

Findings of Fact

1. Respondent has been licensed to practice medicine in the State of Alabama since August 27, 2014, having been issued license no. MD.33688. Respondent was so licensed at all relevant times.

2. Respondent practices family medicine at DeKalb MD, located at 617 Gault Avenue North, Fort Payne, Alabama 35967.

3. Respondent currently serves as a collaborating physician for four certified registered nurse practitioners (“CRNPs”), including Cindy Lake, Vernie Slaton, Patrick Tatum, and Kirsten Ward. The collaborations, identified as

CP.28279, CP.20405, CP.21599 and CP.22629, respectively, were approved by the Board between December 12, 2018 and March 17, 2022.

4. Prior to the Board's approval of each collaboration, Respondent submitted a Commencement of Collaborative Practice form wherein he certified that he had read and understood his responsibilities as a collaborating physician "according to the Alabama Board of Medical Examiners Rules Chapter 540-X-8, Advanced Practice Nursing: Collaborative Practice."

5. The Board conducted a collaborative practice audit in January 2026 and discovered that Respondent violated Board rules when he allowed a nurse practitioner to practice at a remote site which was not approved by the Board and when he allowed a nurse practitioner to perform a skill the nurse practitioner was not authorized to perform.

6. Respondent stipulates that, pursuant to Board rules governing collaborations, he is required to maintain a written standard protocol for each collaboration, approved and signed by him and the CRNP, which identifies all sites where the CRNP would practice within the collaboration protocol.

7. Respondent stipulates that the documentation submitted to the Board relating to his collaboration with Vernie Slaton, CRNP, indicates that Ms. Slaton would practice at DeKalb MD. However, at the time of the audit, Board staff discovered that Ms. Slaton was practicing at Heil Onsite Clinic, a remote site which

was not approved by the Board, in violation of Board rules. *See* Ala. Admin. Code r. 540-X-8-.08(8).

8. In January 2023, Respondent submitted a request to train Patrick Tatum, CRNP, to perform procedures included in the Orthopedic Specialty Protocol. The Board approved the request on or about January 19, 2023, and sent written correspondence to Respondent which specifically stated: “Supervised practice for all of the procedures approved above must be submitted within one (1) year of this approval to train or the approval will expire.”

9. Respondent failed to submit documentation showing evidence of supervised practice within one (1) year of the approval to train, yet allowed Mr. Tatum to perform joint injections, an Orthopedic Specialty Protocol skill, in violation of Ala. Admin. Code r. 540-X-8-.08.

Conclusions of Law

1. The Commission has jurisdiction over the subject matter of the Administrative Complaint, and over the parties, pursuant to Ala. Code § 34-24-310, *et seq.*

2. The Commission finds, as a matter of law, that the determined facts constitute violations of Ala. Code § 34-24-360(23) and Ala. Admin. Code r. 540-X-8-.08(8).

Order/Discipline

Based upon the foregoing Findings of Fact and Conclusions of Law, it is ORDERED, ADJUDGED, AND DECREED:

1. That pursuant to Ala. Code § 34-24-381(a), Respondent is assessed an administrative fine in the amount of one thousand dollars (\$1,000.00).

2. In accordance with Ala. Admin. Code r. 545-X-3-.08(8)(d)(i), (10), Respondent is ordered to pay the administrative fine within 30 days of this Order.¹

¹ See Ala. Admin. Code r. 545-X-3-.08(8)(d)(i). Respondent is further advised that “[t]he refusal or failure by a physician to comply with an order entered by the Medical Licensure Commission” may be a separate instance of “unprofessional conduct.” See Ala. Admin. Code r. 545-X-4-.06(6). Failure to timely pay the assessed costs and fines may therefore form an independent basis for further disciplinary action against Respondent.
