Application for Qualified Controlled Substances Registration Certificate for Certified Registered Nurse Practitioners and Certified Nurse Midwives

Under Alabama law, this document is a public record and will be provided upon request.

The cost for the initial QACSC received is $110.00; each additional QACSC is $60.00
The annual renewal fee for each QACSC is $60.00

Collaborating Physician Name
Collaborating Physician Specialty
Collaborating Physician License number
CP Number
CRNP/ CNM name
CRNP/CNM License number
Primary practice address

All applicants must answer the following questions. (If the answer to question A, B, C, D, E or F is yes, please provide a detailed explanation.)

A. Has your privilege for dispensing, accessing, or prescribing controlled substances ever been suspended, restricted, revoked, voluntarily surrendered while under investigation, or disciplined in any manner in any state?
B. Have you ever been convicted of any state or federal crime relating to any controlled substance?
C. Has your Federal DEA registration ever been suspended, restricted, revoked or voluntarily surrendered while under investigation?
D. Has your employment as a CRNP/CNM ever been suspended, restricted, revoked or disciplined in any manner for any reason related to the prescribing or dispensing of controlled substances?
E. Are you currently* engaged in the excessive use of alcohol, controlled substances, or the use of illegal drugs, or received any therapy or treatment for alcohol or drug use, sexual boundary issues or mental health issues? (If you are an anonymous participant in a voluntary health monitoring program and are in compliance with your contract, you may answer "No" to this question, such answer for this purpose will not be deemed upon certification as providing false information to the Alabama Board of Medical Examiners)

*The term “currently” does not mean on the day of, or even in the weeks or months preceding the completion of this application. Rather, it means recently enough so that the condition referred to may have an ongoing impact on one’s
functioning as a CRNP/CNM within the last two years.

IMPORTANT: The Board recognizes that registrants encounter health conditions, including those involving mental health and substance use disorders, just as their patients and other health care providers do. The Board expects its registrants to address their health concerns and ensure patient safety. Options include anonymously self-referring to the Alabama Board of Nursing’s Voluntary Disciplinary Alternative Program (334-293-5200) an advocacy organization dedicated to improving the health and wellness of nursing professionals in a confidential manner. The failure to adequately address a health condition, where the registrant is unable to practice with reasonable skill and safety to patients, can result in the Board taking action against the Qualified Alabama Controlled Substances Certificate.

Please initial certifying that you understand and acknowledge your duty as a licensee to address any such condition as stated above.

F. To your knowledge, has disciplinary action been taken or is pending against you with the Board of Nursing or any other licensing authority of any state, territory, or country including but not limited to the Alabama Board of Nursing?

G. Have you completed a board-approved pharmacology of controlled substances course or courses? (This must include documentation of successful completion of twelve (12) hours of Category I credits including “Prescribing Controlled Drugs: Critical Issues and Common Pitfalls”, a Board-approved course that includes advanced pharmacology and prescribing trends relating to controlled substances. The (12) hour course must have been completed in the preceding 12 months for initial QACSC applicants. Starting with this 12-hour initial course, the CRNP/CNM must obtain (every two (2) years) four (4) AMA PRA Category 1 credits or equivalent through a board-approved course or courses that include advanced pharmacology and prescribing trends related to controlled substances.)

You answered no, you do not qualify for a QACSC and should not complete this application.

You answered yes, upload documentation of completion.

Name of board approved course
Date course taken
Number of Hours obtained
Upload documentation

I have not received documentation from the board approved course or courses.

NOTICE: To lawfully administer, dispense or prescribe controlled substances in the State of Alabama, federal and state statutes require a Qualified Alabama Controlled Substances Registration Certificate and a DEA certificate of registration with the State of Alabama. For further information concerning federal requirements, go to www.deadiversion.doi.gov. You will apply for your DEA once the QACSC is issued.

I understand and agree that by typing my name, I am providing an electronic
signature that has the same legal effect as a written signature pursuant to Ala. Code §§ 8-1A-2 and 8-1A-7. I attest that the foregoing information has been provided by me and is true and correct to the best of my knowledge, information, and belief.

I understand that knowingly providing false information to the Alabama Board of Medical Examiners could result in disciplinary actions. Section 20-2-54, Code of Alabama 1975 (as amended) states that a registration may be suspended or revoked by the board upon finding that the registrant has furnished false or fraudulent material or information in any application.

To qualify for a QACSC, an individual must meet the following requirements:

(1) Be a CRNP or CNM who is practicing in accordance with § 34-21-5, Code of Alabama 1975, as amended, and all Alabama Board of Nursing and Alabama Board of Medical Examiners rules governing collaboration between a qualified physician and a qualified CRNP or CNM and who is in a collaborative practice with a physician who holds and maintains a valid, current and unrestricted ACSC;

(2) Submit proof of successful completion of a course or courses (AMA PRA Category 1™) approved by the Board which includes eight (8) hours of instruction regarding the prescribing of controlled substances and four (4) hours of advanced pharmacology and prescribing trends relating to controlled substances within one (1) year preceding the filing of an application for a QACSC.

twelve (12) hours of AMA PRA Category 1 credits™ or the equivalent continuing medical education (CME), which shall include the following:

——— (a) “Prescribing Controlled Drugs: Critical Issues and Common Pitfalls,” a continuing medical education course jointly sponsored by the Board and the Medical Association of the State of Alabama (8 AMA PRA Category 1™ credits).

——— (b) Four (4) AMA PRA Category 1™ credits or equivalent through a Board approved course or courses that include advanced pharmacology and prescribing trends relating to controlled substances;

——— (3) Complete the required twelve (12) credits within one (1) year preceding the filing of an application for a QACSC;
(43) Provide accurate and complete documentation of a minimum of twelve (12) months of active clinical practice pursuant to one or more collaborative practice agreements approved by the Alabama Board of Nursing and the Alabama Board of Medical Examiners. Temporary approval practice and provisional approval practice shall not be considered or used to meet this requirement;

(4) Provide information regarding whether the QACSC will be utilized at a remote site and/or in a different type of clinical setting than the collaborating physician.

(5) Submit an application on forms provided by the Board; and

(6) Pay the required application fee required by the Board.

An applicant for a Qualified Alabama Controlled Substances Certificate shall disclose whether:

(1) Applicant's privilege for prescribing controlled substances has ever been suspended, restricted, voluntarily surrendered while under investigation, revoked, or disciplined in any manner in any state or U.S. territory.

(2) Applicant has ever been convicted of any state or federal crime relating to any controlled substance.

(3) Any Federal Drug Enforcement Administration registration ever held by applicant has ever been suspended, restricted, revoked or voluntarily surrendered while under investigation.

(4) Applicant's privileges at any hospitals have ever been suspended, restricted, revoked, or disciplined in any manner for any reason related to the prescribing or administering of controlled substances.

(5) Applicant is currently engaged in the excessive use of alcohol, controlled substances, or the use of illegal drugs, or receiving any therapy or treatment for alcohol or drug use, sexual boundary issues or mental health issues.

(a) If applicant is an anonymous participant in the Alabama Board of Nursing’s Voluntary Disciplinary Alternative Program and is in compliance with their assistance agreement, they may answer "No" to this question. Such answer for this
(b) The term “currently” as it is used in paragraph (5) above does not mean on the day of, or even in the weeks or months preceding the completion of the application. Rather, it means recently enough so that the condition referred to may have an ongoing impact on one’s functioning as a Certified Registered Nurse Practitioner or Certified Nurse Midwife within the last two years.

(c) Applicant shall initial certifying an understanding of a statement of the duty as a registrant to address any such condition, which states as follows:

IMPORTANT: The Board recognizes that registrants encounter health conditions, including those involving mental health and substance use disorders, just as their patients and other health care providers do. The Board expects its registrants to address their health concerns and ensure patient safety. Options include anonymously self-referring to the Alabama Board of Nursing’s Voluntary Disciplinary Alternative Program (334-293-5200), an advocacy organization dedicated to improving the health and wellness of nursing professionals in a confidential manner. The failure to adequately address a health condition, where the registrant is unable to practice medicine with reasonable skill and safety to patients, can result in the Board taking action against the QACSC.

Utilization of Qualified Alabama Controlled Substances Registration Certificate (QACSC) - Limitations.

(1) The authority of a CRNP or CNM to prescribe, administer, or authorize for administration or dispense pursuant to a QACSC is limited to those controlled substances enumerated in Schedules III, IV and V.

(2) A CRNP or CNM shall not use the authority of his or her QACSC to prescribe, administer, or authorize for administration, or dispense any controlled substance enumerated in Schedule I or Schedule II; however, a CRNP or CNM may administer a Schedule II controlled substance which has been ordered, prescribed or dispensed by a collaborating or covering physician.

(3) A CRNP or CNM shall prescribe, administer, or authorize for administration or dispense controlled substances in accordance with the requirements of §§ 20-2-250 through 20-2-259, Code of Alabama 1975, as amended; any other applicable sections of the Alabama Uniform Controlled Substances Act (§ 20-2-1, et. seq., Code of Alabama 1975, as amended); Board rules; protocols, formularies, and medical regimens established by the Board for regulation of a QACSC; and any requirements or limitations established in an approved formulary by the collaborating physician.

(4) A CRNP or CNM shall not utilize his or her QACSC for the purchasing, obtaining, maintaining or ordering of any stock supply or inventory of any controlled substance in any form.

(5) A CRNP or CNM who has been issued a valid and current QACSC may accept from pharmaceutical representatives prepackaged samples or starter packs in their original packages or containers for controlled substances enumerated in Schedules
III, IV or V, subject to any restriction or limitations on the CRNP's or CNM's approved formulary and subject to any protocols or medical regimens established by the Board.

(6) A CRNP or CNM shall not prescribe, administer, or authorize for administration or dispense any controlled substance to his or her own self, spouse, child or parent.

(7) If the Alabama Controlled Substances Certificate of the collaborating physician under whose supervision the CRNP or CNM utilizes a QACSC becomes inactive, revoked, suspended, restricted, or placed on probation, then the QACSC of the CRNP or CNM shall be administratively terminated by operation of law.

(8) When utilizing controlled substances for the treatment of pain, a QACSC holder shall comply with Ala. Admin. Code r. 540-X-4-.08, Requirements for the Use of Controlled Substances for the Treatment of Pain.
